

### **Tim Attwater - Executive Lead for Primaries**

Tim has worked across a range of primary schools in Hull and the East Riding since 1996. He became Headteacher of Bricknell Primary School in 2009, which is a large primary with over 630 pupils, situated close to the University of Hull. The school was judged to be outstanding in all areas by Ofsted in summer 2015 and the inspection praised the “relentless focus on driving up pupil performance” from school leaders. The school has since become a National Support School, providing support and training for a number of schools in the region.

Tim has provided leadership support to several schools in the city as an Executive Head and as a National Leader of Education. Tim is currently providing extensive support to a school which has been judged to require improvement and has led pupil premium reviews at both primary and secondary level.

In October 2016, Tim was appointed as Primary Executive Lead for The Constellation Trust, leading school improvement across seven primary schools. He provides support to school leadership teams, leads school reviews and quality assurance, and coordinates the development of the primary curriculum across the Trust. Tim is also a member of the Interim Management Board at Sirius Academy West.

Tim is committed to ensuring all pupils receive an engaging, relevant and effective curriculum throughout their school years, which enables them to make excellent progress, regardless of their starting points or level of disadvantage.
